Thank you and Adieu St Ansgar!!!

It's been almost 5 years since St Ansgar became our home. We were still a very new group and looking for a home that fit us and our mission. We arrived in the fall of 2018, thanks to one of your members (and ours at the time too!) Barbara Irlandy-Lowenberg. Our very first concert in this beautiful space was December 2018.

The church and its members have been incredibly generous to us during these nearly 5 years, providing affordable rehearsal and performance space, storing our equipment, and working with us through the pandemic to allow us to continue to function during that time. Many of your members have become regular concert attendees too!

A special thank you goes to one of our members and biggest supporters - Rev. and Flutist Christophor Gilbert! You always made us feel welcome and have become a part of our music family. We're still hoping you'll find a place to stay in Maine close by so we can keep you!

Thank you doesn't seem nearly adequate for all that you've done for us. We will never forget you and the many ways you helped us to thrive and grow!
